Subject: Update and followup

Sarah and Pat,

My office asked that I follow-up with both of you regarding Passaic to see where we stand with the Proposed Plan. I understand it is being re-worked and probably jumping around from office to office – so no rush. However, my management also requested that we get a chance to at least review it prior to it being issued (hopefully Friday?). We don't anticipate having any comments, but in order to report up the chain here my office just wanted to make sure we are still kept in the loop.

As always, thank you!

_Brian
